II. MATERIALS SELECTION

The Library Board of Trustees (from here on referred to as the Library Board) and staff of the Leland Township Public Library (from here on referred to as the Library) believe that the right to read is an important part of the intellectual freedom that is basic to democracy, and hereby adopts the Library Bill of Rights and the Freedom to Read Statement of the American Library Association. The purpose of this policy is to guide and assist Library staff in the maintenance of the collection as reflected in the Library's mission and goals.

Selection of books and other materials purchased for the Library rests with the Director who may delegate some responsibilities to other staff members. Suggestions from the public are welcome but must meet selection criteria. The Library also pays close attention to the professional, commercial, industrial, cultural and civic enterprises of the community. Circulation statistics and counts of in-house use of materials will be maintained to assist in decision-making. Objections to items in the collection should be made in writing to the Director (see policy in Section V.)

Materials in various media will be selected in an attempt to satisfy educational, informational, cultural and recreational needs of people of all ages in our communities. Selections will include both basic books of permanent value and timely materials of fiction and non-fiction including materials on current issues and problems which reflect the specific interests and needs of the community. The Library also maintains a permanent Michigan Collection and encourages its use by residents and visitors alike.

Other criteria which apply are: reputation and significance of the author, importance of subject matter to the collection, scarcity of material on the subject, availability of material elsewhere in the area, timeliness or permanence of the material, reputation and standards of the publisher, price. Special efforts are made to purchase materials by local authors and artists.

Children's materials are selected to provide pleasurable reading for reading's sake, and to provide informational sources in fields of knowledge which are of interest to children of varying ages and reading ability. Criteria for selection include literary and artistic worth, accuracy, suitability of content and vocabulary to the age of the readers, contribution to the balance of the total collection, and price.

Materials under consideration for purchase are examined and read when possible. The recognized selection tools published for the use of librarians, including reviews in newspapers and magazines, will also be utilized. These include but are not limited to: Publisher's Weekly, Library Journal, Booklist, Kirkus, New York Times Book Review, and reviews in regional papers such as the Detroit Free Press and the Chicago Tribune.

The selection of any particular material is not equivalent to Library endorsement of the viewpoint expressed in the material. Material is not excluded because of the race, nationality, gender, sexual orientation or the political or religious views of the writer.

III. GIFTS

The Library encourages and welcomes the interest and involvement of citizens and organizations through contributions of new and used book or non-book materials for collections, appropriate gifts which will enhance the physical environment, and bequests, trusts, or donations of monetary value or other assets for Library purposes.

1. **Monetary gifts** may be unrestricted or designated as memorials or tributes. Donors may suggest specific subjects or titles of collection materials to be acquired, or they may suggest specific furniture, equipment or artwork. However, the Director has the right of final selection in order to meet the criteria of the Materials Selection Policy, or space, utilization and design requirements of the Library.

2. **Donations of books and other circulation materials** are subject to meeting the criteria of the Materials Selection Policy and will be handled as any other material belonging to the Library in regard to classification, placement, and availability to patrons. Bookplates may be affixed to those books accepted or chosen to satisfy a donor's request. If items are being donated to obtain a tax benefit, it is the donor's responsibility to establish fair market values or obtain expert assistance in establishing any value. The Director will acknowledge receipt of donated items but is unable to set fair market or appraisal values.

3. **The Friends of the Library**, a separate non-profit organization with its own Board of Directors, has an annual gift-giving program. Paid memberships are solicited once a year. Member contributions are used to help defray some of the Library's operational costs. Friends' Board members are invited to the Library Board meetings.

4. **Gifts of tangible property**, such as furniture, real estate, stock, equipment or artwork, must meet space, utilization, compatibility and design requirements of the Library. This determination will be made by the Library Board and Director and will reflect, among other things, the Library's ability to cover insurance and maintenance costs associated with the donation. The Library will not appraise or otherwise put a value on gifts of tangible property.

5. The Library will not accept gifts with conditions or restrictions placed on them.

6. Accepted gifts become the sole property of the Library. The Library Board and Director retain the right to make the final decision on the disposition of any gift.

7. The permanence of gifts cannot be guaranteed. The Library is not obligated to keep donated materials for any specified period of time, and they may be sold, recycled or discarded in whatever manner is of greatest value to the Library.

(Revised 8-22-05)

IV. WITHDRAWAL OF MATERIALS (DESELECTION)

Materials will be withdrawn from the collection as necessary to maintain the collection in accordance with our materials selection policy and available space. Among the reasons for withdrawing materials are physical damage or wear, obsolete information, unnecessary duplication, and lack of popularity. Decisions will be based on accepted professional practice and the judgement of the Director. When necessary, local specialists will be consulted to determine the continued relevance and reliability of materials.

Withdrawn materials may be offered to other libraries, organizations or institutions that can make use of them. They may be discarded, sold in used book sales, or otherwise disposed of.

Materials are not automatically withdrawn because of complaint or controversy, but patron comments are welcome and will be formally considered. Individuals having serious concern about the appropriateness of any Library material may request reconsideration of the item (**see Section V**).

**V. REQUEST FOR RECONSIDERATION OF LIBRARY MATERIALS –
PROCEDURES:**

A Library user who has serious concern about the appropriateness of any Library material may request reconsideration of the item in writing to the Director.

After the request is received, the following procedures will be initiated:

2. The committee's recommendation will be sent to the Library Board in writing.
3. The Library Board will consider the request for reconsideration and the recommendation from the committee at their next regular meeting. They will make a decision on action to be taken and will notify the petitioner of this decision by letter within one week of the meeting. The decision of the Library Board is final.

VI. REFERENCE SERVICES

XIV. INTERNET USE POLICY

In response to advances in technology and the changing needs of the community, the Library endeavors to develop collections, resources and services that meet the informational, individual and educational needs of a diverse community. It is within this context that the Library offers access to the Internet.

The Library does not monitor and has no control over the information available on the Internet and cannot be held responsible for its content. The Internet is a global entity with a highly diverse user population and Library patrons may encounter material that is inaccurate or that they consider offensive.

In response to concerns about these types of resources, Section 6 of the Michigan Library Privacy Act, 1982 PA 455, MCL 397.606 requires public libraries to either filter all public internet computers or to adopt and implement policies that prevent minors (under 18 years of age) from accessing sexually explicit materials on the Internet. Section 6 also applies to public library wireless networks.

To comply with that law, the Library establishes the following acceptable use policy: Viewing of explicit materials by minors is prohibited. Adults that choose to view explicit materials will also be subject to restricted use if minors are present in the Library. To assure compliance with this law and policy, Library staff will visually monitor use of all computers within the Library. Violations to this policy will result in immediate termination of use of the Library Internet service and/or computers, decision to be made by Library Staff. A second violation by the same patron(s) will result in permanent suspension of Library Internet service use. In the case of a minor in violation, the Library staff will attempt to inform parents of the violation and resulting consequence.

Patrons who lose privileges as a result of a violation of this policy have the right to appeal the staff decision to the Library Board at a regularly scheduled Board meeting.

This policy also applies to Wireless Internet use at the Library.

For clarification, it is noted that the Leland Township Library is not affected by Federal Regulation CIPA P.L. 106-554 (2000) since it does not receive federal grant funds of any sort.

XVII. DISASTERS: NOTE: LIST OF ALL EMERGENCY CONTACT PHONE NUMBERS IS LOCATED NEXT TO EACH PHONE IN THE BUILDING

A. FIRE

The Library has a smoke detector system installed building-wide that is monitored and maintained through contract with Engineered Protection Systems, Inc. (EPS). Should smoke or heat be detected by the system, an audible alarm will sound, and EPS will contact our local Fire Department.

In case of smoke or fire alarm OR visible smoke or fire, the following procedures should be followed:

1. Staff and/or volunteers should calmly direct patrons out the nearest exit that takes them away from the most smoke. Assure that evacuees are congregated away from the driveway or parking area of the library (so as not to impede Emergency Personnel access). Have someone call 911 while evacuation is taking place if possible. If not, once in a safe location, **call 911** immediately and account for all staff, volunteers, and patrons.
2. If a meeting is in progress in the Munnecke Room, staff/volunteers should calmly ask patrons to exit the building in an orderly manner. **Call 911** immediately.
3. Once the building is evacuated and 911 has been called, only a staff or board member should determine if it is safe enough to re-enter the building and/or use a fire extinguisher.

Staff should familiarize themselves with the locations of fire extinguishers in the building. We have four (4): in the furnace room, under the counter at the circulation desk, at the back (north) exit, and in the Munnecke Room by the entrance.

B. HEALTH EMERGENCIES

A first aid kit is located behind the circulation desk (below the telephone). Staff members and volunteers should exercise caution when administering first aid of even a minor nature because of liability issues. Only assist to the level at which you have been trained and certified. Those untrained can still assist by offering comfort and reassurance, protection from weather elements if emergency is outside, covering the patient to keep warm or reduce shock. Give no medication, including aspirin.

In the case of an underage child all efforts to contact the parents or guardians should be made before calling for medical help **unless** the delay may result in further injury, loss of blood, loss of consciousness, or other life-threatening condition.

Call 911 for an ambulance AND for law enforcement. NOTE: law enforcement office can legally authorize treatment of a minor child in those cases where all attempts to contact a parent or guardian fail. Be sure to advise dispatch if a parent or guardian has not been contacted. .

In case of an accident or injury upon Library premises, volunteer should alert a staff member immediately. The staff member should:

1. Get the name, address, and phone number of the injured party.
2. Contact a Library Board member as soon as possible (list is located at each phone location in the library).
3. Contact the Leland Township clerk as soon as possible (256-7546 ext. 201)
4. Contact the Library insurance agent as soon as possible.
5. Complete an incident description form for Library records (in file under "Accident Reporting").

C. BOMB THREATS

1. Keep the caller on the line as long as possible, pay close attention to voice and possible background noises. Write down exactly what the caller says (or what the informant says if speaking to him/her in person). **USE the YELLOW BOMB THREAT FORM LOCATED AT EACH PHONE LOCATION (4) IN THE LIBRARY.**
2. Ask where and when the bomb will explode.
3. Evacuate the building as quickly as possible, accounting for all staff, volunteers, and patrons. Check all areas for lingering patrons. Evacuate north to Main Street and across Main Street as far from the library building as possible.
4. **Call 911** from a safe location outside the building proper.
5. If not on-site at time of emergency, call the Director. If not available, call the Assistant Librarian or a Board member (list is located at each phone location in the library).

D. TORNADOES

If a tornado warning has been issued, inform all patrons to go to the bathroom hallway between the Library and Munnecke Room. Stay away from windows and doors. Account for all staff, volunteers, and patrons.

E. EMERGENCY CLOSING

The Director is obliged to keep the Library open to the public as scheduled. In the event of severe weather or other emergency conditions, the Library may close or fail to open in consideration of the safety of employees and the public. Closing is at the discretion of the Director who will notify staff and be responsible for having a notice posted on the Library front door, and if possible changing the message on the phone.

Employees are expected to report to work when they are scheduled to be there, but late arrival is preferred to taking unnecessary risk. When scheduled time is not worked because of closure, or missed because of difficult conditions, it may be made up as arranged with the Director according to the needs of the Library.

F. THREAT OR ACTUAL VIOLENCE

Staff or volunteers should **call 911** immediately to request assistance when threatened or when observing a dangerous act or possible dangerous person.

If a threatening or dangerous person is inside the Library, volunteer or patron should alert staff immediately, and not engage the threatening individual. Staff should remain calm and attempt to isolate the threatening person from other staff, volunteers, and patrons and indicate to another staff or volunteer to **call 911**.

Staff may lockdown the Library when a dangerous situation from outside the building is brought to their attention. During a lock-down situation, staff, volunteers, and patrons should all be advised to remain calm, turn off the lights, close window blinds if possible and if time allows, lock the doors and wait for help to arrive while remaining hidden from outside viewing. The Director must be contacted as quickly as possible. Someone should remain on a phone with 911 dispatcher if possible to keep all responders apprised of the situation.

XVIII. PROCUREMENT POLICY

- Section 1. Purchasing Agent. The Director shall act as the purchasing agent for the Library.
- Section 2. Spending Limits. The Board's approval of the budget authorizes Library expenditures within the budget. The Director has a discretionary ceiling of \$500.00 for non-budgeted items. Any purchase of goods or services (excluding professional services) exceeding a cost of \$10,000.00 shall require competitive pricing and shall be approved by the Board. This figure may be modified. The Board and Director will make collective decisions on expenditures of a lesser amount. The Board may solicit proposals outside this policy at its discretion.

The Library Board may waive bidding requirements when there is only one known supplier or there is some other compelling reason to waive the bid procedures.
- Section 4. Contract Award. After such proposals are submitted to the Board, if the Board shall find any of the proposals to be satisfactory, it shall recommend to the Township to award the contract to the lowest qualified bidder meeting specifications, unless the Board shall determine that the public interest will be better served by accepting a higher bid. Such recommendation shall be by resolution. The Board shall have the right to reject any and all bids that do not conform in every respect to the bidding requirements.
- Section 5. Bidding Exclusion. The bidding procedure and requirements provided herein shall not apply to the following: any contract for professional services, such as lawyers, accountants, engineers, architects or appraisers.

XIX. INVESTMENT POLICY

The purpose of this investment policy is to help the Director and Board conduct Library operations in a fiscally responsible way. It is the policy of the Library to invest its funds in a manner which will provide the highest investment return with the maximum security. All investments will be made in accord with the Michigan Public Act 20 of 1943 as amended in 1997.

This investment policy applies to all financial assets of the Library, as accounted for in the various funds of the Library, including the general fund, special revenue funds, capital project funds and any new funds established by the board.

Safety of principal is the primary objective of the Library’s investments activities. Investments will be undertaken in a manner that seeks to insure the preservation of capital in the overall portfolio. Investments will be diversified by security type and institution in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio. The investment portfolio will remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated.

Delegation of Authority to Make Investments

Authority to make investments is derived from Michigan State Law and from the following Board Resolution:

WHEREAS, The Leland Township Public Library Board, in concurrence with the Leland Township Treasurer, has the right and responsibility to invest any and all Library funds; and

RESOLVED, That

The investment officer for the Library, who has management responsibility for the Library’s investment program in accordance with Library policy, shall be the Treasurer of the Board. An advisory committee, including an additional member of the Board and an outside investment advisor may assist the investment officer as needed.

The investment officer is authorized to invest surplus funds for the Library in the following investment instruments:

- Savings Accounts
- Certificates of Deposit
- U.S. Treasury Bills
- U.S. Government Agency Securities
- Mutual Funds with authority to purchase above securities
- Money Market Funds

The investment officer must provide a written annual statement to the Board concerning the investment of funds.

Safekeeping and Custody

All income will be deposited within 48 hours of receipt to meet State mandates. All security transactions entered into by the Library shall be on a cash basis. A third party custodian designated by the Board and evidenced by safekeeping receipts may hold securities.

A Petty Cash Fund of \$600 will be maintained for minor purchases. A receipt must be added for every purchase made. The Township Clerk will replenish the Fund in exchange for equivalent receipts.

XXI. U.S.A. PATRIOT ACT COMPLIANCE

The USA Patriot Act, Public Law 107-56 of October 26, 2001, expands the powers of federal law enforcement agencies investigating cases that involve foreign intelligence and international terrorism. According to section 215 of this Act, librarians and staff served with a search warrant or court order may not disclose its very existence to anyone other than those persons necessary to produce the tangible things sought by the warrant or order.

Library personnel are not permitted to discuss the existence of such a document produced for the benefit of federal law enforcement unless such discussion is necessary in order to obtain the things sought.

This Library's policies and procedures regarding patrons' privacy rights remain unchanged. However, staff and volunteers who may be asked for such information must be made aware of the correct procedures for responding to this new requirement (see pages 9 & 10 of Policy Manual, Section IX. Confidentiality of Library Records, for correct procedures). The Library may still seek legal advice (Director or Board Chair may contact the Library of Michigan Library Law Specialist at phone 517.373.1299) concerning the warrant before taking any action, in addition to requesting that the Library's legal counsel be present during actual search and execution of the warrant.

The Library will make every effort to provide interpreters, assistance in entering the building and in reaching Library materials, and special materials such as large type and recorded books.

XXIII. PERSONNEL POLICIES

Note: the Library shall be in compliance with all relevant Township personnel policies.

Selection and Hiring

The Leland Township Board and the Library Board share responsibility for hiring and discharging of the Director and Assistant Librarian. Applicants must apply in writing to the Township Board, who, in turn, consults with the Library Board on the selection process. All staffing recommendations must receive ultimate approval from the Leland Township Board.

The Leland Township is an equal opportunity employer and is pledged to nondiscrimination in employment as required by law. Library will employ, retain, promote, terminate, and otherwise treat all employees and job applicants on the basis of merit, qualifications, and competence. This policy will be applied without regard to sex, age, race, color, religion, national origin, handicap, marital status or veteran status.

Job vacancies will be announced to employees before or simultaneously with advertising to the general public. Interviewing and selection criteria will be in accordance with the requirements of the job and will be the same for all applicants. The person hired will be the qualified applicant best suited to the job requirements in the judgment of the Township Board and the Library Board.

Volunteers

The Library welcomes volunteers from the community to apply to assist with the operation of the Library. Volunteers are identified as persons who regularly perform duties or tasks for the Library without wages or benefits. Volunteers are meant to supplement and not supplant staff.

When performing Library duties, volunteers must act in accordance with Library policy and standards. Volunteers are recognized by the public as representatives of the Library and shall be guided by the same work and behavior code as employees. The Director or another employee will assign volunteers to tasks for which they are judged to be suitable and make available necessary training and information. The Director reserves the right not to schedule people to work as volunteers.

While assisting at the Library, volunteers are covered under the Township's general liability insurance policy (Comprehensive General Liability Coverage Part GBK 0823).

Volunteers are provided with and required to read the Library Policy Manual, including the Americans with Disabilities Act, and are given training as needed.

Volunteers are formally recognized on an annual basis.

Employee Categories

The Director is salaried and is employed on a contractual basis.

Hourly employees are paid at an hourly rate for time worked, rounded to the nearest quarter hour. These employees are not eligible for any paid time off. When it is not possible for an employee to work the regular time scheduled, making up the work time may be arranged with the Director.

Pay Period

The pay period is bi-weekly. Unscheduled time may not be worked without prior approval of the Director.

Recording Work Time

All time worked, rounded to the nearest quarter hour, must be recorded on forms provided by the Director. These forms, signed by both employee and Director, form the legal record from which pay is determined. The Library will pay for all authorized hours worked.

Payment of Wages

Paychecks are prepared bi-weekly and usually issued on the Friday following end of the pay period. All applicable payroll deductions will be made according to Federal and State laws.

Required Forms

Each new employee must fill out several forms during the first week at work:

1. W4 form, which determines the amount to be deducted from the paycheck for Federal Income Tax
2. MI-W4, which determines the amount to be deducted from the paycheck for State Income Tax
3. I-9 form, which proves eligibility for employment in the United States (required within 3 days of employment)
4. A copy of two acceptable documents (see form I9) verifying identity and employment eligibility.

Each employee under the age of 16 must obtain a Work Permit from his/her school site.

Probation Period

New employees will have an orientation period of up to six months during which they will be introduced to the Library and their own job. During this time, the supervisor will be evaluating job performance and helping the employee to solve any job related problems. At the end of the six month probation period, the supervisor will complete an evaluation with recommendation regarding continued employment.

Performance Appraisal

The performance appraisal is the process that evaluates job performance. It provides an opportunity to consider the quality of the employee's work, give recognition for commendable work, show where improvement or change is required, indicate progress, and formulate goals for the future.

In addition to on-going discussions between the employee and director, and between Director and Trustees, about job performance, the Director and Assistant Director will have an annual performance appraisal which will include both a written review and an opportunity for discussion.

Personnel Files

An employee has the right to request the Director to allow him/her to inspect his/her own personnel file. Otherwise the file is private and may be reviewed only by the Director or as required by law. The Director's file and employee's files may be opened by Board action.

Employee Conduct

The conduct of each Library employee while fulfilling the duties and responsibilities of his/her position should reflect favorably on the employee and the Library.

Dress, Appearance

The dress and appearance of employees while at work should show respect for other employees and the public and be appropriate for their job in the opinion of the Director and/or Library Board.

Tardiness, Absenteeism

It is important that employees be at work on time and work until the scheduled time. Disciplinary action may be taken when tardiness and/or absenteeism cause inconvenience to the Library. The Director must be notified when time cannot be worked as scheduled. An unauthorized and unreported absence of two days may result in Library Board review and action.

Drugs and Alcohol

To ensure a safe and productive work environment, the Library prohibits the use, purchase, sale, possession, transfer or being under the influence of any non-medically prescribed, controlled drugs or alcohol during work time. An employee using any drug which might in any way affect job performance should be reported to the Director.

Political Activity

The political beliefs, activities and party affiliation of employees are private. The Library will not request employees to participate or contribute to political parties or groups, and employees may not engage in political activities or campaigning during working hours.

Safety

The Library provides Workers' Compensation protection for all employees for on-the-job injuries as required by law. Employees must report any work-related injury to the Director promptly to ensure coverage. If an employee is injured or needs medical attention while at work, he/she should first go directly to the Leelanau Urgent Care office in Lake Leelanau. They have copies of the Leland Township Report Form on file.

Requests for Confidential Information

Home telephone numbers and/or addresses of Library Board members and employees are confidential and may not be given to anyone without permission. Mail for Trustees should be sent to the Library.

Discipline

When employee performance or behavior falls short of the standards and expectations of the Library, efforts will be made to help the employee meet expectations through informal discussion and/or further training. When this fails, or depending upon the seriousness of the situation and the person's employment history with the Library, disciplinary actions may be taken ranging from formal discussion with the employee to immediate discharge. The Director will document all steps in this process in writing.

Grounds for Disciplinary Action

Reasons for disciplinary action include but are not limited to the following:

- failure to perform the duties of the position in a satisfactory manner
- failure to observe Library policies and procedures
- behavior which jeopardizes the safety of the staff or public
- discourtesy to the public
- failure to work harmoniously with other employees
- unauthorized release of confidential information

- falsification of Library records
- inappropriate use of official position in the judgment of the Director and/or the Board
- unauthorized removal, destruction or negligent use of Library property

Problem Resolution

The Library recognizes the importance of good communication between employees and supervisors. Employees should feel free to ask questions and offer their ideas and suggestions. Job or Library-related problems should be discussed with the Director at any time. The Director may discuss such problems with the Library Board.

Problems about general concerns or policy interpretation can usually be resolved through discussion with the Director or in writing if that would be more comfortable than a personal interview. The Director may discuss problems with the Board and may also seek problem resolution in writing if desired.

A problem concerning personnel policies and procedures which cannot be resolved as suggested above may be appealed in writing to the Board president within a week of discussion with the Director. At their next regular meeting, the Board will decide on the matter and respond to the employee within one week of the meeting.

Separation From Employment

Upon resignation of a position, the employee is requested to submit a letter of resignation two weeks or more before his/her last day of work or according to contract agreement. The letter should be addressed to the Board and given to the Director. A copy should be sent to the Township Clerk as well.

A resigning employee is also required to return to the Director any keys or other Library property in his/her possession.

Arrangements for the final paycheck should be made with the Director or Library Board member.

BENEFITS AVAILABLE TO ALL PAID EMPLOYEES

Worker's Compensation Insurance

Each employee is covered by Workers' Compensation insurance that applies to injuries incurred on the job. The Township pays the entire cost of this insurance.

Training and Education

Employees are encouraged to attend training courses, workshops, seminars, and professional conferences designed to develop or update job-related skills or knowledge. The Director and/or Trustees may approve attendance and full or partial payment of directly related costs such as mileage, registration fees, or meals.

Travel Reimbursement

Employees will be reimbursed for approved travel expenses which are incurred in the conduct of Library business paid at the approved Township rates.

BENEFITS AVAILABLE TO SALARIED EMPLOYEES ONLY

Holidays

Paid holidays for salaried employees are:

Memorial Day	Christmas Day
Independence Day	New Year's Day
Thanksgiving Day	Labor Day

The Library will be closed for each holiday. If the holiday falls on a Sunday, the Director will decide whether closing all or part of Saturday or Monday is appropriate. In any case, the employee will be paid for the full pay period and will normally work four hours less than usually scheduled work hours. This will sometimes require rearranging of work schedule for the two-week pay period.

Vacation

The Director is eligible for paid vacation time – two weeks after the first full year and three weeks after the second full year (and all additional years).

Only earned vacation may be used. Vacation time does not accrue while on leave without pay. Vacation time cannot be carried over to the next year.

Sick Leave

The Director will accrue 70 hours (2 weeks) of paid sick leave per fiscal year.

Up to 140 hours (4 weeks) of sick leave time may be carried over into the next fiscal year. The Library will pay for one-half of unused time, up to a limit of 70 hours, upon termination.

The Director may use sick leave as necessary in the following ways:

- a. for illness, injury or disability
- b. for the care of a member of immediate family or household member(s)
- c. for appointments with health practitioners

Only accrued sick leave time may be used. Beyond that, time needed may be charged to other paid leave time.

APPENDIX I.

FREEDOM TO READ

1. It is in the public interest for publishers and librarians to make available the widest diversity of views and expressions, including those that are unorthodox or unpopular with the majority.
2. Publishers and librarians do not need to endorse every idea or presentation contained in the books they make available. It would conflict with the public interest for them to establish their own political, moral, or aesthetic views as the sole standard for determining what books should be published or circulated.
3. It is contrary to the public interest for publishers or librarians to determine the acceptability of a book solely on the basis of the personal history or political affiliations of the author.
4. The present laws dealing with obscenity should be vigorously enforced. Beyond that, there is no place in our society for extralegal efforts to coerce the taste of others, to confine adults to the reading of matter deemed suitable for adolescents, or to inhibit the efforts of writers to achieve artistic expression.
5. It is not in the public interest to force a reader to accept with any book the prejudgment of a label characterizing the book or author as subversive or dangerous.
6. It is the responsibility of publishers and librarians, as guardians of the people's freedom to read, to contest encroachments upon that freedom by individuals or groups seeking to impose their own standards or tastes upon the community at large.
7. It is the responsibility of publishers and librarians to give full meaning to the freedom to read by providing books that enrich the quality of thought and expression. By the exercise of this affirmative responsibility, bookmen can demonstrate that the answer to a bad book is a good one, that answer to a bad idea is a good one.

A joint statement by the American Library Association and the Association of American Publishers issued in May 1953.

APPENDIX II.

LIBRARY BILL OF RIGHTS

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

1. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
2. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
3. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
4. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.
5. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.
6. Libraries that make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

Adopted June 18, 1948. Amended February 2, 1961, June 27, 1967, and January 23, 1980, by the American Library Association Council.
